"FRUIT-A-TIVES", The Famous Fruit Medicine Proves It.

MRS. ANNIE PAGE

CANASTOTA, NEW YORK.

"I feel it my duty to write to thank you for the wonderful benefit I have received from 'Fruit-a-tives'. I suffered for 20 years with Rheumatism. I had taken a number of different remedies, but they did not do me any good.

One day last fall, I saw your advertisement in our paper so I bought a 25c. trial box. They helped me, so I bought two more boxes and I can hardly realize that I ever had Rheumatism. I can get in and out of my bed without the least trouble. If the Rheumatism ever does come back, I know just what to take to drive it away.

Your wonderful fruit medicine, 'Fruit-a-tives', brought me relief when everything else had failed." Mrs. ANNIE PAGE.

Death of Mrs. O. B. Dauchy.

News that the illness of Mrs. O. B. Dauchy, which necessitated an operation at Memorial hospital Saturday, had terminated fatally came as a shock and brought a feeling of grief to all in the village. Monday morning, for Mrs. Dauchy's gentle and patient ways, cheerful manner and unfailing courtesy endeared her to a wide circle of friends. Though her health, never robust, had failed perceptibly the past summer until within a few weeks she made the daily trip to assist in the duties at the post-office and hid weariness and ill health in untrusting thought for others.

Anne (Forstall) Dauchy was born at New Orleans, La., Oct. 10, 1872. She was a daughter and the fourth of nine children of Anne (Walton) and Thos. Forstall. Her parents were in well-to-do circumstances and she was brought up in all the ease and refinement of the higher class of southern families. She went with her parents to live in Chicago at the age of 15 years and was married there Dec. 19, 1895, to Otis Burr Dauchy. The couple lived at Chicago and Oak Park until 1913, when, with their family of four children, they moved to their present home in Townshend.

After coming here Mrs. Dauchy united by letter with the local Congregational church. Her life of faithful devotion to Christianity will leave a lasting impression, not only upon the young people in her home, who have grown to useful manhood and womanhood under her guidance, but to the many friends who have been influenced by the sweet sincerity of her character.

The funeral was held at the house at 3 o'clock Tuesday afternoon, only the relatives and close friends being present. Rev. F. B. Hyde of Newfane officiated. The bearers were Nathan Dauchy, Raymond Watson, Wilfred Wheeler and C. H. Willard. The burial was in Oakwood cemetery. Besides her husband Mrs. Dauchy leaves four children, Elizabeth, wife of Raymond Watson of Burlington; Margarette, of Brvn Mawr college; Anne, teacher at University of Vermont; and Nathan, a freshman at University of Vermont. She also leaves her aged mother, whose home is in Chicago, three brothers and three sisters. Among the many floral tributes were flowers from the Home club and Congregational church.

Carries Wood in Arm 18 Weeks.

A. W. Barry has sold his work horses to Mr. Thompson of Brattleboro as he will be unable to do heavy teaming for some time, though the wound in his under arm, which was badly injured about five months ago by a fall, has now entirely healed and he is rapidly regaining the use of the arm. During an operation on it four weeks ago Dr. J. E. Hair removed a piece of wood, the end of a chair round upon which Mr. Barry fell, an inch and a half long and nearly half an inch in diameter at the thickest end, which had been embedded under the muscle for 18 weeks. Several small pieces of wood also have been removed. The most constant and efficient care has been needed to keep blood-poisoning from the wound.

"Thoughtful Mothers!" Are You One of Them?

All mothers—bless them—are loving and devoted. How often we are led to respect and admire the "thoughtful mother" who provides for emergencies and saves her loved ones from hours of suffering and herself from needless anxiety and sleepless vigil.

The season for colds, coughs, pneumonia, influenza and catarrhal ailments is drawing near, when the "thoughtful mother" makes up a full pint of pure, quickly effective cold and cough syrup, made at home by using pure concentrated Essence Menth-Laxene (2 1/2 ozs.) mixed with simple sugar syrup or strained honey. A pint of sugar and a half pint of water makes the syrup in three minutes. The essence and the syrup are then poured into a pint bottle and is ready to use. Pure cold and coughs getting worse. The very first dose gives wonderful relief and in a few days all traces of the congestion and catarrhal eruptions are usually gone. The joy of seeing the quick freedom from colds, coughs and dangerous complications the freedom from anxiety and sleepless nights, to say nothing of the real economy of this home remedy—is "worth the weight in gold."

The drug store supplies the Essence Menth-Laxene. "Best ever sold for cold or cough."
